Pandemic Combination Learning is designed to assist parents during this unprecedented time. For parents who need to go to work, work from home, or are unavailable to coach their child with Distance Learning from public school, we've designed a safe environment: **social-distancing setting**, and **small group classroom**.

**Your child will need to bring their own laptop/learning tablet and a headset for their Distance Learning. Students need to take care of their own electronic equipment and is responsible for its workable condition.

Teacher's Role

A teacher is assigned to monitor/supervise your child while doing Distance Learning. Afterwards, homework help will be provided. Teacher will ensure all students in the same classroom follow Health and Safety Guideline, maintain 6 feet distance, wash their hands and keep personal study space clean.

Parent's Role

Your cooperation is needed these areas:

1. Update/communicate any information from your child's school regarding Distance Learning.
2. Bring your child to school 30 minutes before Distance Learning starts.
3. Upkeep of electronic equipment is your responsibility.
4. Inform the school of any difficulty your child encounters with regards to Distance Learning so it can be addressed right away.
